

MEng Project (CHE1800Y) Registration Request Form

Complete this form in consultation with your MEng project supervisor. **Email the completed form to the MEng Coordinator at mengprograms.chemeng@utoronto.ca.**

Also complete an [SGS Add/Drop form](#) to request enrolment into CHE2222H and CHE1800Y. Your supervisor does not need to sign. **Email the completed form to the MEng Coordinator at mengprograms.chemeng@utoronto.ca.**

First name:	Last name:	Student number:
-------------	------------	-----------------

MEng Program

Which MEng program are you enrolled in?	
Program started: (i.e., first term)	Program ends: (i.e., last term)

MEng Project

Project start date:	Project end date:
Interim report due date*:	Project supervisor**:
Project title:	
Brief description of project:	
TO BE ANSWERED BY SUPERVISOR: Can this project be completed before or during the student's last term?***	

* This should be approximately half-way between your project start and end dates – see the [MEng Project](#) webpage for details

** Must be a CHE faculty member or a faculty member associated with CHE (e.g., cross-appointed, etc.)

*** Projects that continue beyond a student's last term incur additional fees that the student must pay

NOTE: Students must complete a [Research Registration Form \(RRF\)](#) and email it to safety.chemeng@utoronto.ca for approval. If you require keys, contact Aydin Rafati to arrange pick up. You must show your approved RRF.
