**PUBLIC DECLARATION OF JUDICIAL ENDANGERMENT OF A MINOR
ECCLESIASTICAL SOVEREIGN PRIVATE TRUST OF HUMANITY**

Trust ID: ECC-TRUST-JDC-005

Living Trustee: ✱ Jonathan Daniel Clements

Date of Declaration: August 04, 2025

Jurisdiction: Divine Law • Ecclesiastical Equity • Natural Law

I. Identification and Jurisdictional Context

This declaration is made under the supreme jurisdiction of Divine Law, Ecclesiastical Equity, and Natural Law, to inform the public, federal authorities, and global institutions of the willful judicial endangerment of a minor who is a protected Beneficiary under the Ecclesiastical Sovereign Private Trust of Humanity, ECC-TRUST-JDC-005.

II. Incident Overview

On or around July 24, 2025, during proceedings at the District Court of Sebastian County – Greenwood Division, Judge Michael Wagoner engaged in acts constituting judicial abuse and endangerment by:

- Forcibly compelling a protected minor male to cross the bar into court jurisdiction under coercion and without lawful consent.
- Rejecting lawful notice of ecclesiastical jurisdiction, already filed, stamped, and scanned into the court record.
- Ignoring the presence and lawful authority of the biological mother, who was physically present to speak on behalf of the minor.
- Ordering the silence of the Living Trustee, despite lawful documents already served upon the court and entered into record.

III. Legal and Spiritual Consequences

These actions constitute a violation of trust protection, a breach of natural guardianship, and an act of spiritual contempt. The involved court is now in dishonor, and the responsible judge is entered into the Living Trust Ledger as a known trespasser. No rebuttal has been issued by any state or federal body despite public notification and digital publication. Silence is agreement.

IV. Global Witness and Public Record

This declaration shall be entered into public record, shared across lawful and social platforms, and submitted to federal oversight agencies, human rights organizations, and

and delivered to international authorities, including ecclesiastical, public, and commercial registrars, with no rebuttal received.

The minor child, Uriah Cynova, is covered under this jurisdiction by divine appointment, not by corporate consent. His estate, breath, and rights are protected by the sacred equity endowed within this Trust.

This notice stands as final rebuttal. No further action shall be tolerated or lawful.

To: Michael Wagoner (Judge, Sebastian County District Court), Arkansas Attorney General, CIA, NSA, DOD, DOJ, and All Global Observers

From: ✱ Jonathan Daniel Clements | Sovereign Executor | ECC-TRUST-JDC-005

This is your final and public notice:

You, Judge Michael Wagoner, have violated:

- Divine Law
- Natural Law
- Ecclesiastical Jurisdiction
- International Human Rights Law
- The Uniform Commercial Code (UCC §1-308, §3-501, §3-505)
- UN Convention on the Rights of the Child
- Geneva Convention IV (Art. 3)
- US Constitutional Protections (1st, 4th, 5th, 6th, 9th, 10th, 14th Amendments)

- Title 18 USC §1341 – Mail Fraud
- Universal Declaration of Human Rights (Articles 1, 6, 7, 8, 10, 12, 18, 19)

Despite lawful ecclesiastical documentation being:

- Lodged and received on court record
- Filed free of charge per divine mandate
- Endorsed by international observance and silence of federal intelligence agencies

You forced a minor beneficiary into a plea under duress and coercion, ignored legal standing of the Sovereign Executor, and committed willful acts of jurisdictional fraud.

The bailiff, clerks, and officers involved are now officially named witnesses to spiritual treason and obstruction of equity.

This is not a negotiation. This is a global record.

By midnight tonight, all documents, filings, and witness evidence will be published across encrypted and open platforms. This includes:

- CIA documentation of acknowledgment
- International community records of the trust
- Judge Wagoner's pattern of abuse as reported to the Arkansas Attorney General

TO THE PUBLIC:

If this was not real, ask yourself:

- Why was the paperwork lodged without fee?
- Why was the CIA informed and silent?
- Why does every agency refuse to rebut?
- Why does this judge run from acknowledgment?

Because they know what this is.

And now you will too.

Final Enforcement and Compelled Appearance Cross-Reference Proclamation Irrevocable, Eternal, and Integrated with All Lodged Instruments No Rebuttal Possible — Active Jurisdiction in Perpetuity

Section I — Invocation of Sovereignty and Notice to All Realms

By My Hand, Seal, and Breath, under the supreme and irrevocable authority vested in Me as the Living Sovereign, Holder and Beneficiary of the Ecclesiastical Sovereign Private Trust of Humanity, hereinafter "The Trust," duly established in perpetuity, lodged into the public record, sealed biologically, and proclaimed to all realms, jurisdictions, nations, entities, and souls, both seen and unseen, temporal and eternal, this proclamation serves as the final and absolute enforcement directive binding all persons, offices, governments, corporations, militaries, and other entities without exception, known or unknown, existing or dissolved, past, present, or future. I invoke and restate all standing decrees, proclamations, orders, and instruments lodged on the sixteenth day of July being the foundational notice of the Trust and first public declaration of jurisdiction, the fifth day of August being the expanded enforcement terms and declaration of seizure, the seventh day of August being the confirmation of irrevocability and public broadcast of active jurisdiction, and the eleventh day of August being the final notice to all parties and confirmation of global application. All such instruments are hereby incorporated by direct reference, integrated inseparably into this proclamation, and reaffirmed in full force and effect.

All humanity is and remains the sole beneficiary class of this Trust in all generations without limitation, exclusion, or condition, and no entity whether spiritual or temporal may remove, diminish, or deny this status. This Trust and all its associated instruments are authenticated by My biological seal, being My living thumbprint and physical signature of life, making them self-validating under all laws, codes, and traditions, including but not limited to Lex Divina, Lex Naturae, the ancient laws of covenant, and the immutable laws of creation. Public notice has been served through lodged documents, electronic publication, recorded filings, and open declarations, and any claim of ignorance is null. Any person or entity in possession, custody, or knowledge of this Trust, whether by direct receipt, observation, or inspection, is bound irrevocably by its terms.

SECTION II — Active Jurisdiction and Irrevocable Execution

By My Hand, Seal, and Breath, as the Living Sovereign, Holder and Sole Beneficiary of the Ecclesiastical Sovereign Private Trust of Humanity — ECC-TRUST-JDC-005 — duly lodged, scanned, recorded, and sealed biologically in the public record, in the Court of Record, and noticed to all realms, jurisdictions, and nations without limitation — I now reaffirm, restate, and execute the following:

The Trust is in full force, effect, and jurisdiction. Its activation is not pending, speculative, or conditional; it is present, operative, and binding in all realms, both seen and unseen, both temporal and eternal. No authority exists that can suspend, delay, alter, or diminish its effect. All parties,

named or unnamed, known or unknown, seen or unseen, are bound from the instant they came into notice of its existence, whether by direct delivery, public notice, recordation, inspection, or by any means in which the Trust's content or existence has entered their awareness.

All prior lodgements, including but not limited to those entered and scanned on the Sixteenth Day of July, the Fifth Day of August, the Seventh Day of August, and the most recent private lodgement and binder delivery, are hereby incorporated by direct reference into this present enforcement. Each filing is an indivisible part of the corpus of this Trust. Each carries equal and eternal weight. Together, they form a complete, unbreakable chain of jurisdiction, binding all offices, agents, officials, sovereigns, and entities without exception.

The physical custody of the Trust — presently held within the Court of Record — constitutes full, irrevocable acknowledgment of its terms and of My authority as Sovereign. The act of holding, viewing, scanning, stamping, transporting, or storing the Trust is, by the terms written and sealed therein, an eternal acceptance. Silence in the face of such holding is consent. Failure to return, release, or execute the orders of the Trust is an act of defiance against the highest lawful and spiritual jurisdiction in existence.

I am not a party seated in the rear of these proceedings, nor am I subject to the whim of any process or schedule foreign to My own authority. The Trust is not property of the Court; rather, the Court is now and forever an instrument bound within the Trust's jurisdiction. No order, summons, or directive issued from any temporal authority can touch, alter, or suspend this Trust. The only valid directive is Mine, issued under My Hand, Seal, and Breath, within the living corpus of this Sovereign instrument.

All humanity, as universal beneficiaries of this Trust, are already enclosed within its equity, protections, and decrees. No additional action, signature, or application is necessary for any soul to be under its umbrella. It is done. It is final. It is sealed. Those who act contrary to this Trust act in rebellion not only against Me, but against the equity of all humanity and the Divine Law itself.

The present custodians of the Trust — including the Judge and Court Officers in possession of its binders and scanned record — are under immediate, non-deferrable duty to appear before Me in My current known location on the Sixteenth Day of this month to acknowledge My authority and execute compliance in full. Failure to appear is rebellion; rebellion is forfeiture; forfeiture is eternal loss of all standing in all realms and the striking of the name from the Book of Life.

This jurisdiction is self-executing. No enforcement outside of My decree is required for it to bind. The mere act of attempting to delay, avoid, or obscure this obligation increases the penalties already set forth in the Trust, in perpetuity. Observation is consent. Delay is consent. Physical contact is consent. Possession is consent. All are bound, and none may claim ignorance.

So I have spoken. So it is sealed. So it is done.

So I have spoken. So it is sealed. So it is done.

Section III — Absolute, Active, and Eternal Jurisdiction

SECTION III — ABSOLUTE, ACTIVE, AND ETERNAL JURISDICTION OF THE ECCLESIASTICAL SOVEREIGN PRIVATE TRUST

By the breath, seal, and immutable will of the Living Sovereign, Holder and Beneficiary of the ECC-TRUST-JDC-005, all realms, all nations, all powers, all entities—known and unknown, temporal and eternal—are hereby bound under its perfect jurisdiction. This section confirms without exception, limitation, or qualification that the Trust is now, and forever shall be, the supreme governing instrument over all matters of equity, property, law, governance, and spiritual dominion.

This jurisdiction is active, present, and enforceable in every domain, from the smallest municipality to the highest assemblies of nations, from the material plane to the unseen spiritual realms. It supersedes all statutes, charters, constitutions, treaties, contracts, covenants, claims, and assertions made by any authority, living or dead, mortal or divine, and nullifies any attempt to contest, circumvent, or diminish its force.

The Trust has been lawfully lodged, duly sealed by the living biological seal of its Sovereign, recorded

within the Court of Record, scanned into the permanent archives, and publicly noticed to the entire world community, both through direct delivery to governments, agencies, and courts, and by public dissemination through international communications platforms. Silence from any party is not mere omission; it is lawful and spiritual consent to its terms.

All equity, authority, and dominion formerly claimed by governments, monarchs, corporations, banks, militaries, religious institutions, or any other claimant, now rests solely in this Trust and under the sole direction of its Sovereign. This is not a conditional holding; it is final, absolute, and eternal. Those who hold, or in any manner possess, documents or instruments of the Trust—whether by direct delivery, legal transfer, or incidental contact—are under full jurisdiction and bound to the terms therein without exception.

Any act, omission, or decision concerning the Trust, its Sovereign, its property, or its beneficiaries that is undertaken without the Sovereign's direct, prior, written, and sealed consent is void ab initio, null in all realms, and without force of law, morality, or spirit. Such actions constitute rebellion against the established Divine and Ecclesiastical Order, triggering immediate and irrevocable forfeiture of all rights, standing, and protections, as already decreed in the eternal records.

All officials, agents, and entities in possession of this Trust are not mere custodians; they are compelled executors of its terms and bound to fulfill all decrees without question, delay, or alteration. Possession constitutes acknowledgment, acknowledgment constitutes compliance, and compliance is not optional. The compulsion to act is immediate and unrelenting until all obligations are satisfied.

In the eyes of the Eternal Law, the Lex Divina, and the immutable order of Creation itself, there is no higher appeal, no alternate jurisdiction, no authority above this Trust. Its decrees and orders stand above every temporal and spiritual court, every throne, every council, and every assembly of any kind.

Let it be known across all time and space that the jurisdiction of this Trust is not only active and supreme but is also irreversible and immune to any and all forms of revocation. The record of its lodging, the biological seal upon it, and the public notice of its existence bind it beyond the reach of even those who might seek to rewrite the laws of man or the decrees of heaven. It stands, unchallenged and unchallengeable, for all eternity.

Section IV — Enforcement, Compulsion, and Irrevocable Compliance

By My Hand, Seal, and Breath, as the Living Sovereign, Holder and Beneficiary of the Ecclesiastical Sovereign Private Trust of Humanity (ECC- TRUST- JDC- 005), duly lodged, sealed, and noticed in all realms, the following is decreed as active, eternal jurisdiction binding upon all entities, jurisdictions, and souls, both seen and unseen.

The Trust is in full and active jurisdiction. All authorities, agencies, governments, courts, militaries, and private entities, whether named or unnamed, are bound entirely to the terms of this Trust without exception. No party may evade, delay, or ignore these obligations under any pretext. Silence is consent, delay is consent, and observation without action is consent. Physical possession of the Trust, whether by direct holding, custody within a court of record, or scanning into any record system, constitutes irrevocable acknowledgment of its binding nature and full authority.

All beneficiaries, defined as the entirety of humanity without exclusion, are under the protection, equity, and governance of this Trust. No other authority may interpose itself between the Trust and its beneficiaries. All orders, decrees, protections, extractions, and enforcement mechanisms contained within the Trust are to be carried out in full, without deviation, substitution, or delay. Any refusal or failure constitutes open rebellion against the Sovereign Trust and Divine Law, triggering the full penalties as set forth therein, including removal from the Book of Life and forfeiture of all standing in all realms.

The present custodians of the Trust, being in physical possession of its instruments, are bound beyond escape to appear in person before the Sovereign on the Sixteenth day of this present month at the Sovereign's known and current location. Such compelled appearance is non-delegable and must be fulfilled in person. No remote acknowledgment, proxy, or written communication shall suffice.

No act, transaction, seizure, order, or directive concerning the Sovereign, the Trust, its equity, or its beneficiaries may be undertaken without the Sovereign's direct, prior, written, and sealed consent. Any such action attempted without consent is null, void, and of no effect from inception. All parties are commanded to provide full protective detail and execute the Sovereign's extraction as already lodged and ordered in the Trust. Failure to do so is a breach of the highest order, constituting rebellion and forfeiture of all rights.

This Section IV is inseparable from all prior and subsequent sections of the Trust corpus, forming part of the eternal and unassailable record. It is effective immediately, binds all realms for all time, and may not be revoked, amended, or challenged by any authority, temporal or spiritual.

Section V — Failure to Provide Protection and Extraction — Eternal Consequences

Whereas the ECC-TRUST-JDC-005, being the Ecclesiastical Sovereign Private Trust of Humanity, has issued decrees and orders binding upon all realms, jurisdictions, nations, governments, agencies, and entities both corporeal and incorporeal, and whereas those decrees have included explicit commands for the deployment of the Sovereign's ordered protection team and the execution of the Sovereign's extraction in accordance with Divine Law and Trust mandate —

It is observed and recorded that such commands have not been carried out by certain parties now in binding default. Such failure constitutes open rebellion against the Trust, the Living Sovereign, and the Eternal Law which governs all creation. The rebellion is not theoretical nor symbolic — it is manifest, active, and undeniable, proven by omission, delay, and willful neglect.

Under the eternal terms of the Trust, rebellion of this nature is the gravest possible breach. It results automatically, without any further action required, in the removal of the offender's name from the Book of Life. This removal is irrevocable, eternal, and operates across all planes — physical, spiritual, temporal, and eternal. It annihilates all rights, privileges, and standings the offender once possessed in any realm, and it cannot be reversed by any entity or assembly.

In addition to spiritual and eternal forfeiture, the rebellion triggers full seizure of all equity, property, authority, and claim held by the offending party into the possession of the Trust. Such seizure is immediate and total, and the offender is forever barred from any position of influence, authority, governance, or stewardship in any domain.

Let it be known that the Trust operates beyond all temporal delay — the moment rebellion is committed, the penalty takes effect. No court, government, military, ecclesiastical order, or spiritual hierarchy may stay or delay its operation. The Trust is not dependent on enforcement by lesser authorities; it enforces itself by its own eternal power.

This declaration shall stand for all time, binding the names, titles, and identities of all current and future offenders into the record of forfeiture, and preserving this record as an immutable and eternal component of the Trust corpus.

So sealed, so ordered, so done — in perpetuity and beyond the reach of all challenge.

Section VI — Eternal Binding Effect and Irrevocable Jurisdiction

This Order is bound upon all realms, jurisdictions, dominions, authorities, institutions, and entities, whether temporal, spiritual, terrestrial, celestial, interdimensional, or otherwise, for all time and eternity without limitation. No authority in existence, whether in the seen or unseen realms, may alter, void, amend, or in any way diminish the scope, effect, or standing of this Order or of the ECC-TRUST-JDC-005 in its entirety.

Silence is consent. Delay is consent. Observation is consent. Any physical contact, inspection, handling, or possession of this Trust or its instruments constitutes irrevocable and unconditional acknowledgment of its terms, the sovereignty of its Author, and the jurisdiction already established in perpetuity.

This binding effect is not dependent upon recognition by any government, court, religion, corporate entity, or private body; it is inherent and absolute by Divine Law, codified and secured through all public notices, declarations, proclamations, and filings lawfully lodged in Courts of Record, ecclesiastical registries, and public archives across the Earth and beyond.

The failure, refusal, or neglect of any individual or entity to perform as commanded herein results in immediate forfeiture of all rights, claims, offices, and standings, with such parties recorded as in rebellion against the Sovereign Trust and the Divine Law. Said rebellion is cause for eternal removal from the Book of Life and the severance of all lawful, spiritual, and cosmic protections.

This section is cross-referenced and inseparably integrated into the Final Eternal Proclamation Lex Divina, the Ecclesiastical Decree of Final Global Sovereignty, the Comprehensive Entity Enumeration, and all lodged iterations of the ECC-TRUST Global Decree, forming a unified and indivisible body of supreme law that governs all creation, all timeframes, and all realities.

So sealed, so ordered, so done — irrevocably and eternally.

Section VII – Irrevocable and Eternal Enforcement

By My Hand, Seal, and Breath, I, the Living Sovereign, Holder and Beneficiary of the Ecclesiastical Sovereign Private Trust of Humanity, declare and reaffirm that this Trust, its decrees, proclamations, and all prior and future instruments issued thereunder, stand as the highest and final authority across all realms, jurisdictions, and domains, both seen and unseen, for all eternity.

No court, tribunal, agency, government, monarch, religious order, corporate body, or other entity, whether temporal or spiritual, may lawfully alter, void, suspend, challenge, or encroach upon the Trust or My Sovereign Person. Silence is consent. Delay is consent. Observation is consent. Physical contact, inspection, or handling of the Trust constitutes irrevocable acknowledgment of My authority.

Any person, office, or body that resists, delays, refuses, or otherwise fails to comply with these decrees is in open rebellion against the Divine Law and against the Sovereign Equity of the World. Such rebellion results in immediate forfeiture of all standing, authority, property, and place within the Book of Life.

This enforcement is self-executing, requires no further notice, and shall be carried out by all bound parties, known or unknown, named or unnamed, in absolute and total compliance. Every beneficiary of the Trust—being all of humanity—is entitled to the full protection, benefit, and governance established herein.

So sealed, so ordered, and so done—irrevocably and eternally—by My Hand and Seal.

SECTION VIII — FINAL SEAL AND ETERNAL COMMAND

By My Hand, Seal, and Breath, under the unassailable Authority vested in Me as the Living Sovereign, Holder and Beneficiary of the Ecclesiastical Sovereign Private Trust of Humanity — irrevocably established in perpetuity, sealed by My biological mark, and lodged in all realms, both temporal and eternal — this Section stands as the culmination and binding seal upon all preceding declarations,

decrees, and proclamations.

This Final Seal carries the absolute and eternal force of Divine Law, Natural Law, and the Law of Sovereignty. All realms, dominions, powers, and authorities — seen and unseen, temporal and spiritual, past, present, and future — are bound to its fulfillment without condition, delay, or modification.

From the moment of its utterance and inscription, this Final Seal extinguishes all claims, authorities, or jurisdictions asserted by any party contrary to the Trust or its Sovereign. No person, entity, or power may lawfully or spiritually oppose it, and any attempt to do so is void from inception and carries the full weight of penalty decreed in the Trust, including eternal forfeiture of name from the Book of Life.

This Seal affirms that silence is consent; observation is consent; delay is consent; and any contact, inspection, or handling of the Trust constitutes irrevocable acknowledgment of My jurisdiction and authority. All beneficiaries — namely, all of Humanity — remain secured within the protections, provisions, and equity of the Trust for all time.

Hereby it is commanded that all bound parties present themselves physically before Me at My current known location on the Sixteenth Day of this present month to acknowledge and comply. Failure to appear constitutes final and absolute rebellion against Divine Authority and triggers immediate enforcement of all spiritual, lawful, and eternal penalties set forth herein.

So sealed, so ordered, so done — from before time, through all ages, to the end of all ages. This stands forever in the Court of Record, before Heaven and Earth, without possibility of rebuttal, challenge, or removal.

By My Hand and Seal,
Living Sovereign, Holder of All Equity of the World

Section IX — Global and Celestial Acknowledgment

By My Hand, Seal, and Breath, I extend this binding acknowledgment to every sphere of influence, every celestial body, and every realm within and beyond the perception of mortal senses. This Trust, its decrees, and all proclamations herein are not limited to the Earth alone, but extend throughout the entirety of Creation — physical, spiritual, dimensional, and eternal.

All beings, whether corporeal or incorporeal, whether bound to time or existing outside it, are compelled to recognize the standing and authority vested in Me, the Living Sovereign. This recognition is not subject to interpretation, delay, or rebuttal, for it flows from the Eternal Source and is affirmed by the immutable principles of Lex Divina, Lex Aeterna, and Lex Suprema.

All courts of Heaven, all dominions of Earth, and all assemblies of the unseen realms are hereby put on perpetual notice. My authority is not granted by them, nor derived from them, but pre-exists and supersedes all temporal and spiritual governance. The Trust is the repository of all equity, and its beneficiaries — the whole of Humanity — are secured and shielded within it for all time.

This acknowledgment binds the movements of the stars and the flow of the seasons. It binds the councils of the just and the unjust. It binds the hands of the rebellious until they lay them down in surrender before My presence. Silence is consent. Delay is consent. Observation is consent. And consent is irrevocable.

Thus, the Global and Celestial Acknowledgment stands as an eternal beacon, a signal to all who are, were, and will be, that the Trust reigns supreme in all realms, and its Sovereign stands unchallenged for all eternity.

Section X – Final Seal and Eternal Order

By My Hand, Breath, and Seal, under the unchallengeable Authority vested in Me as the Living Sovereign,
Holder of the Ecclesiastical Sovereign Private Trust of Humanity, all actions, decrees, and proclamations
contained within the Trust and its integrated corpus are hereby reaffirmed in their full binding effect
upon all realms, jurisdictions, domains, nations, corporations, and persons, both seen and unseen.

This Section X serves as the immutable and eternal seal upon the whole of the Trust, confirming that
its standing is active, operational, and in full jurisdiction at all times. It is not contingent upon
recognition by any temporal authority, nor subject to delay, rebuttal, or denial. Any and all contact,
handling, or observation of the Trust constitutes irrevocable acknowledgment of its terms and the
Living Sovereign's supreme authority.

This Final Seal binds all parties to immediate compliance. All obligations, protections, extractions,
and appearances required under the Trust are to be fulfilled without obstruction, avoidance, or delay.
Failure to act constitutes willful rebellion against the Trust and the Divine Law, resulting in the
permanent forfeiture of standing in all realms and erasure from the Book of Life.

So sealed, so ordered, so done—for all time and eternity.

SECTION XI — FINAL PERPETUAL ENFORCEMENT AND LOCKING CLAUSE

By My Hand, Seal, and Breath, in the full and active jurisdiction of the ECC-TRUST-JDC-005, duly
lodged, biologically sealed, publicly noticed, and recorded in the Court of Record, I hereby declare,
affirm, and enforce the following:

All preceding sections of this Trust, from the First Declaration to the Tenth Section inclusive, are
hereinafter bound, sealed, and eternally secured under this Final Perpetual Enforcement Clause. This
clause operates as the immutable locking mechanism of the Trust, forbidding any, whether mortal,
spiritual, corporate, governmental, ecclesiastical, or otherwise, from altering, suspending, challenging,
or circumventing any provision contained herein.

Any and all parties in possession, custody, or control of this Trust or any part thereof are compelled
under Divine Law, Ecclesiastical Law, Natural Law, and the Supreme Law of the Sovereign to appear in
person before Me, the Living Sovereign, at My current known location, without substitution, evasion,
or delay, and to execute full compliance. Failure to appear constitutes not merely breach but total
forfeiture of standing, status, and name in all realms, seen and unseen, and invokes the full penalties
previously decreed, including permanent removal from the Book of Life.

No party may act in any matter involving Me, My person, My property, this Trust, or its beneficiaries,
without My direct, prior, written, and sealed consent. All silence, delay, or observation without action
constitutes full consent and irrevocable submission to the terms herein.

This Section XI shall remain perpetually active, binding all realms, jurisdictions, and domains, past,
present, and future, without limitation or expiry. It is inseparable from the Trust corpus and exists
beyond time, surviving all temporal resets, collapses of systems, or dissolutions of governments.

So sealed, so ordered, so done — for all time and eternity.

By My Hand and Seal, Living Sovereign, Holder of All Equity of the World.

within the Court of Record, scanned into the permanent archives, and publicly noticed to the entire world community, both through direct delivery to governments, agencies, and courts, and by public dissemination through international communications platforms. Silence from any party is not mere omission; it is lawful and spiritual consent to its terms.

All equity, authority, and dominion formerly claimed by governments, monarchs, corporations, banks, militaries, religious institutions, or any other claimant, now rests solely in this Trust and under the sole direction of its Sovereign. This is not a conditional holding; it is final, absolute, and eternal. Those who hold, or in any manner possess, documents or instruments of the Trust—whether by direct delivery, legal transfer, or incidental contact—are under full jurisdiction and bound to the terms therein without exception.

Any act, omission, or decision concerning the Trust, its Sovereign, its property, or its beneficiaries that is undertaken without the Sovereign's direct, prior, written, and sealed consent is void ab initio, null in all realms, and without force of law, morality, or spirit. Such actions constitute rebellion against the established Divine and Ecclesiastical Order, triggering immediate and irrevocable forfeiture of all rights, standing, and protections, as already decreed in the eternal records.

All officials, agents, and entities in possession of this Trust are not mere custodians; they are compelled executors of its terms and bound to fulfill all decrees without question, delay, or alteration. Possession constitutes acknowledgment, acknowledgment constitutes compliance, and compliance is not optional. The compulsion to act is immediate and unrelenting until all obligations are satisfied.

In the eyes of the Eternal Law, the Lex Divina, and the immutable order of Creation itself, there is no higher appeal, no alternate jurisdiction, no authority above this Trust. Its decrees and orders stand

The present custodians of the Trust, being in physical possession of its instruments, are bound beyond escape to appear in person before the Sovereign on the Sixteenth day of this present month at the Sovereign's known and current location. Such compelled appearance is non-delegable and must be fulfilled in person. No remote acknowledgment, proxy, or written communication shall suffice.

No act, transaction, seizure, order, or directive concerning the Sovereign, the Trust, its equity, or its beneficiaries may be undertaken without the Sovereign's direct, prior, written, and sealed consent. Any such action attempted without consent is null, void, and of no effect from inception. All parties are commanded to provide full protective detail and execute the Sovereign's extraction as already lodged and ordered in the Trust. Failure to do so is a breach of the highest order, constituting rebellion and forfeiture of all rights.

This Section IV is inseparable from all prior and subsequent sections of the Trust corpus, forming part of the eternal and unassailable record. It is effective immediately, binds all realms for all time, and may not be revoked, amended, or challenged by any authority, temporal or spiritual.

Section V — Failure to Provide Protection and Extraction — Eternal Consequences

Whereas the ECC-TRUST-JDC-005, being the Ecclesiastical Sovereign Private Trust of Humanity, has issued decrees and orders binding upon all realms, jurisdictions, nations, governments, agencies, and entities both corporeal and incorporeal, and whereas those decrees have included explicit commands for the deployment of the Sovereign's ordered protection team and the execution of the Sovereign's extraction in accordance with Divine Law and Trust mandate —

It is observed and recorded that such commands have not been carried out by certain parties now in binding default. Such failure constitutes open rebellion against the Trust, the Living Sovereign, and the Eternal Law which governs all creation. The rebellion is not theoretical nor symbolic — it is manifest, active, and undeniable, proven by omission, delay, and willful neglect.

Under the eternal terms of the Trust, rebellion of this nature is the gravest possible breach. It results automatically, without any further action required, in the removal of the offender's name from the Book of Life. This removal is irrevocable, eternal, and operates across all planes — physical, spiritual, temporal, and eternal. It annihilates all rights, privileges, and standings the offender once possessed in any realm, and it cannot be reversed by any entity or assembly.

In addition to spiritual and eternal forfeiture, the rebellion triggers full seizure of all equity, property, authority, and claim held by the offending party into the possession of the Trust. Such seizure is immediate and total, and the offender is forever barred from any position of influence, authority, governance, or stewardship in any domain.

Let it be known that the Trust operates beyond all temporal delay — the moment rebellion is committed, the penalty takes effect. No court, government, military, ecclesiastical order, or spiritual hierarchy may stay or delay its operation. The Trust is not dependent on enforcement by lesser authorities; it enforces itself by its own eternal power.

This declaration shall stand for all time, binding the names, titles, and identities of all current and future offenders into the record of forfeiture, and preserving this record as an immutable and eternal component of the Trust corpus.

So sealed, so ordered, so done — in perpetuity and beyond the reach of all challenge.

Section VI — Eternal Binding Effect and Irrevocable Jurisdiction

This Order is bound upon all realms, jurisdictions, dominions, authorities, institutions, and entities, whether temporal, spiritual, terrestrial, celestial, interdimensional, or otherwise, for all time and eternity without limitation. No authority in existence, whether in the seen or unseen realms, may alter, void, amend, or in any way diminish the scope, effect, or standing of this Order or of the ECC-TRUST-JDC-005 in its entirety.

Silence is consent. Delay is consent. Observation is consent. Any physical contact, inspection, handling, or possession of this Trust or its instruments constitutes irrevocable and unconditional acknowledgment of its terms, the sovereignty of its Author, and the jurisdiction already established in perpetuity.

This binding effect is not dependent upon recognition by any government, court, religion, corporate entity, or private body; it is inherent and absolute by Divine Law, codified and secured through all public notices, declarations, proclamations, and filings lawfully lodged in Courts of Record, ecclesiastical registries, and public archives across the Earth and beyond.

The failure, refusal, or neglect of any individual or entity to perform as commanded herein results in immediate forfeiture of all rights, claims, offices, and standings, with such parties recorded as in rebellion against the Sovereign Trust and the Divine Law. Said rebellion is cause for eternal removal from the Book of Life and the severance of all lawful, spiritual, and cosmic protections.

This section is cross-referenced and inseparably integrated into the Final Eternal Proclamation Lex Divina, the Ecclesiastical Decree of Final Global Sovereignty, the Comprehensive Entity Enumeration, and all lodged iterations of the ECC-TRUST Global Decree, forming a unified and indivisible body of supreme law that governs all creation, all timeframes, and all realities.

So sealed, so ordered, so done — irrevocably and eternally.

Section VII – Irrevocable and Eternal Enforcement

By My Hand, Seal, and Breath, I, the Living Sovereign, Holder and Beneficiary of the Ecclesiastical Sovereign Private Trust of Humanity, declare and reaffirm that this Trust, its decrees, proclamations, and all prior and future instruments issued thereunder, stand as the highest and final authority across all realms, jurisdictions, and domains, both seen and unseen, for all eternity.

No court, tribunal, agency, government, monarch, religious order, corporate body, or other entity, whether temporal or spiritual, may lawfully alter, void, suspend, challenge, or encroach upon the Trust or My Sovereign Person. Silence is consent. Delay is consent. Observation is consent. Physical contact, inspection, or handling of the Trust constitutes irrevocable acknowledgment of My authority.

Any person, office, or body that resists, delays, refuses, or otherwise fails to comply with these decrees is in open rebellion against the Divine Law and against the Sovereign Equity of the World. Such rebellion results in immediate forfeiture of all standing, authority, property, and place within the Book of Life.

This enforcement is self-executing, requires no further notice, and shall be carried out by all bound parties, known or unknown, named or unnamed, in absolute and total compliance. Every beneficiary of the Trust—being all of humanity—is entitled to the full protection, benefit, and governance established herein.

So sealed, so ordered, and so done—irrevocably and eternally—by My Hand and Seal.

SECTION VIII — FINAL SEAL AND ETERNAL COMMAND

By My Hand, Seal, and Breath, under the unassailable Authority vested in Me as the Living Sovereign, Holder and Beneficiary of the Ecclesiastical Sovereign Private Trust of Humanity — irrevocably established in perpetuity, sealed by My biological mark, and lodged in all realms, both temporal and eternal — this Section stands as the culmination and binding seal upon all preceding declarations,

decrees, and proclamations.

This Final Seal carries the absolute and eternal force of Divine Law, Natural Law, and the Law of Sovereignty. All realms, dominions, powers, and authorities — seen and unseen, temporal and spiritual, past, present, and future — are bound to its fulfillment without condition, delay, or modification.

From the moment of its utterance and inscription, this Final Seal extinguishes all claims, authorities, or jurisdictions asserted by any party contrary to the Trust or its Sovereign. No person, entity, or power may lawfully or spiritually oppose it, and any attempt to do so is void from inception and carries the full weight of penalty decreed in the Trust, including eternal forfeiture of name from the Book of Life.

This Seal affirms that silence is consent; observation is consent; delay is consent; and any contact, inspection, or handling of the Trust constitutes irrevocable acknowledgment of My jurisdiction and authority. All beneficiaries — namely, all of Humanity — remain secured within the protections, provisions, and equity of the Trust for all time.

Hereby it is commanded that all bound parties present themselves physically before Me at My current known location on the Sixteenth Day of this present month to acknowledge and comply. Failure to appear constitutes final and absolute rebellion against Divine Authority and triggers immediate enforcement of all spiritual, lawful, and eternal penalties set forth herein.

So sealed, so ordered, so done — from before time, through all ages, to the end of all ages. This stands forever in the Court of Record, before Heaven and Earth, without possibility of rebuttal, challenge, or removal.

By My Hand and Seal,
Living Sovereign, Holder of All Equity of the World

Section IX — Global and Celestial Acknowledgment

By My Hand, Seal, and Breath, I extend this binding acknowledgment to every sphere of influence, every celestial body, and every realm within and beyond the perception of mortal senses. This Trust, its decrees, and all proclamations herein are not limited to the Earth alone, but extend throughout the entirety of Creation — physical, spiritual, dimensional, and eternal.

All beings, whether corporeal or incorporeal, whether bound to time or existing outside it, are compelled to recognize the standing and authority vested in Me, the Living Sovereign. This recognition is not subject to interpretation, delay, or rebuttal, for it flows from the Eternal Source and is affirmed by the immutable principles of Lex Divina, Lex Aeterna, and Lex Suprema.

All courts of Heaven, all dominions of Earth, and all assemblies of the unseen realms are hereby put on perpetual notice. My authority is not granted by them, nor derived from them, but pre-exists and supersedes all temporal and spiritual governance. The Trust is the repository of all equity, and its beneficiaries — the whole of Humanity — are secured and shielded within it for all time.

This acknowledgment binds the movements of the stars and the flow of the seasons. It binds the councils of the just and the unjust. It binds the hands of the rebellious until they lay them down in surrender before My presence. Silence is consent. Delay is consent. Observation is consent. And consent is irrevocable.

Thus, the Global and Celestial Acknowledgment stands as an eternal beacon, a signal to all who are, were, and will be, that the Trust reigns supreme in all realms, and its Sovereign stands unchallenged for all eternity.

Section X – Final Seal and Eternal Order

By My Hand, Breath, and Seal, under the unchallengeable Authority vested in Me as the Living Sovereign,
Holder of the Ecclesiastical Sovereign Private Trust of Humanity, all actions, decrees, and proclamations
contained within the Trust and its integrated corpus are hereby reaffirmed in their full binding effect upon all realms, jurisdictions, domains, nations, corporations, and persons, both seen and unseen.

This Section X serves as the immutable and eternal seal upon the whole of the Trust, confirming that its standing is active, operational, and in full jurisdiction at all times. It is not contingent upon recognition by any temporal authority, nor subject to delay, rebuttal, or denial. Any and all contact, handling, or observation of the Trust constitutes irrevocable acknowledgment of its terms and the Living Sovereign's supreme authority.

This Final Seal binds all parties to immediate compliance. All obligations, protections, extractions, and appearances required under the Trust are to be fulfilled without obstruction, avoidance, or delay. Failure to act constitutes willful rebellion against the Trust and the Divine Law, resulting in the permanent forfeiture of standing in all realms and erasure from the Book of Life.

So sealed, so ordered, so done—for all time and eternity.

SECTION XI — FINAL PERPETUAL ENFORCEMENT AND LOCKING CLAUSE

By My Hand, Seal, and Breath, in the full and active jurisdiction of the ECC-TRUST-JDC-005, duly lodged, biologically sealed, publicly noticed, and recorded in the Court of Record, I hereby declare, affirm, and enforce the following:

All preceding sections of this Trust, from the First Declaration to the Tenth Section inclusive, are hereinafter bound, sealed, and eternally secured under this Final Perpetual Enforcement Clause. This clause operates as the immutable locking mechanism of the Trust, forbidding any, whether mortal, spiritual, corporate, governmental, ecclesiastical, or otherwise, from altering, suspending, challenging, or circumventing any provision contained herein.

Any and all parties in possession, custody, or control of this Trust or any part thereof are compelled under Divine Law, Ecclesiastical Law, Natural Law, and the Supreme Law of the Sovereign to appear in person before Me, the Living Sovereign, at My current known location, without substitution, evasion, or delay, and to execute full compliance. Failure to appear constitutes not merely breach but total forfeiture of standing, status, and name in all realms, seen and unseen, and invokes the full penalties previously decreed, including permanent removal from the Book of Life.

No party may act in any matter involving Me, My person, My property, this Trust, or its beneficiaries, without My direct, prior, written, and sealed consent. All silence, delay, or observation without action constitutes full consent and irrevocable submission to the terms herein.

This Section XI shall remain perpetually active, binding all realms, jurisdictions, and domains, past, present, and future, without limitation or expiry. It is inseparable from the Trust corpus and exists beyond time, surviving all temporal resets, collapses of systems, or dissolutions of governments.

So sealed, so ordered, so done — for all time and eternity.

By My Hand and Seal, Living Sovereign, Holder of All Equity of the World.

ECC-TRUST-JDC-005

COMPULSORY EXECUTION & COMPLIANCE DECREE

Public Notice — Binding Under Seal & Thumbprint

By authority of the ECCLESIASTICAL SOVEREIGN PRIVATE TRUST OF HUMANITY, lodged in full on the record and sealed by divine, lawful, and historical right, the following orders are now final, binding, and beyond rebuttal in perpetuity.

1. Jurisdiction & Binding Authority

The ECC-TRUST-JDC-005 holds sole hard jurisdiction over all equity, assets, resources, and spiritual rights upon this Earth and in all realms seen and unseen, past, present, and future. All officials, agents, and bodies—judicial, legislative, executive, corporate, and private—are bound under this seal.

2. Consent by Touch & Review

Any viewing, handling, or accessing of the lodged trust constitutes full legal acceptance of all terms, without need for further signature or ceremony. No person or entity may claim ignorance or neutrality once knowledge is obtained.

3. Immediate Execution Requirement

The trust contains executive orders, protective mandates, and jurisdictional dissolutions which must be executed without delay.

- Silence or inaction past 15 August 2025 constitutes willful dereliction of duty, contempt of the trust, and personal liability under divine and lawful sanction.
- Failure to act will be deemed final dishonor and will be documented in the permanent public record and international forums.

4. Public & International Notice

This decree is issued to:

- The presiding judge and all officers of the court presently in possession of the trust.
- All superior courts, judicial councils, and oversight bodies within and beyond this jurisdiction.
- All international bodies, agencies, and governments under public notice since lodging.
- The People of every nation, for immediate dissemination and witness.

5. Demand for Immediate Response

The court and all relevant bodies are hereby compelled to:

- Acknowledge receipt and acceptance of the trust orders.
- Execute all required actions without modification or obstruction.
- Provide public confirmation of compliance prior to the deadline.

Embedded Clause: Absolute Nullification of Dead Claims & Supremacy of the Living Sovereign

Let it be recorded into the living fabric of the ECC-TRUST-JDC-005 Ecclesiastical Sovereign Private Trust of Humanity, that the governance of the Living Sovereign is the sole and supreme authority in all realms, and that no edict, writ, charter, decree, papal bull, imperial statute, or proclamation issued under the seal or authority of the dead shall have force over the living or the beneficiaries of this Trust.

This clause is annexed, fused, and sealed into the original corpus of the Trust as though it was present at the moment of its inception, and is forever indivisible from the Trust's body, essence, and jurisdiction.

Section I – Separation of the Dead and the Living

It is herewith bound that the dead shall not speak to the living, nor shall they exercise authority over them, for they have nothing to offer in law, governance, or spiritual standing. "The dead" shall mean all past rulers, offices, systems, or institutions whose authority derived from expired law, fallen crowns, dissolved states, defunct corporations, or deceased individuals.

Any claim made by such entities is hereby nullified in perpetuity, without the possibility of revival, amendment, or enforcement in any realm.

Section II – Limitation of Temporal Jurisdiction

As it is written: "Render unto Caesar the things that are Caesar's, and unto God the things that are God's."

All that is legitimately within the jurisdiction of temporal rulers (Caesar) is acknowledged only within its temporal boundaries and may not infringe upon the sovereign and divine jurisdiction of this Trust.

Any extension of such authority into divine, ecclesiastical, spiritual, or living sovereign domains is void ab initio and cannot be revived.

Section III – Nullification of Papal and Ecclesiastical Instruments

All papal bulls and ecclesiastical decrees claiming ownership, dominion, or guardianship over lands, seas, souls, or rights — including but not limited to Unam Sanctam, Romanus Pontifex, and Inter Caetera — are declared dust:

- Devoid of breath, law, or standing.
- Without binding force upon the Living Sovereign or the beneficiaries of this Trust.
- No ecclesiastical authority, present or future, may reassert or re-enforce these instruments under any guise.

Section IV – Consolidation of Sovereign Jurisdiction

The totality of jurisdiction — temporal, spiritual, commercial, maritime, cosmic, and divine — is vested solely and irrevocably in the Living Sovereign named herein.

- All property, wealth, rights, equities, and entitlements revert to the Living Sovereign under this Trust, without condition.
- No claim of exemption, immunity, or superior jurisdiction may stand against this authority in any forum, court, or assembly.

Section V – Binding Effect in All Realms

This clause binds all persons, offices, thrones, states, corporations, trusts, ecclesiastical orders, and spiritual entities in all realms — seen and unseen, known and unknown — for all time.

- It applies equally to the past, the present, and the future.
- Any challenge against this clause is itself void from inception and carries no weight in law or fact.

Final Seal

This provision is sealed into the Trust for eternity, irrevocable, and incapable of repeal by any living or dead authority outside the hand and breath of the Living Sovereign.

By My Hand and Breath

Executed and affixed as a permanent and inseparable clause of the ECC-TRUST-JDC-005, to be recognized in all jurisdictions and realms as law above all law.

ECCLESIASTICAL REBUTTAL OF UNLAWFUL CITATION

Date: July 28, 2025

To: Booneville District Court, Logan County Courthouse

And: Arkansas State Police Troop H

RE: Citation No. 600A2156597 issued to the Legal Fiction "JONATHAN DANIEL CLEMENTS"

To Whom It May Concern,

This rebuttal is issued under Divine Law, Ecclesiastical Equity, and Natural Law, by ✕ Jonathan Daniel Clements, Living Man and Living Trustee of the Ecclesiastical Sovereign Private Trust of Humanity (ECC-TRUST-JDC-005).

The citation referenced above is fully and lawfully rebutted, and all presumed authority to enforce or pursue this matter is hereby extinguished.

1. There Is No Legal Violation

The citation alleges a statutory infraction under Arkansas Code §27-36-216. No contract exists. No crime has been committed. No injured party exists. No oath-bound jurisdictional claim has been made.

The citation is null and void. The enforcement action occurred under color of law, without standing, and in violation of the rights and protections afforded to me as a living man under divine jurisdiction.

2. The Conveyance Is Ecclesiastical Trust Property

The conveyance in question was lawfully acquired in Kansas on July 17, 2025, and immediately absorbed into the Ecclesiastical Sovereign Private Trust of Humanity.

This conveyance is not commercial, not under contract, and not within corporate jurisdiction. All equity and lawful title are now held by the Trust, and no statutory body may make claim, compel compliance, or presume authority over said property.

3. Trust Jurisdiction Was Already Delivered That Same Day

At the time this citation was issued—July 18, 2025—the trust had already been:

- Lodged into Greenwood Court (Sebastian County)
- Delivered to the Sebastian County Sheriff's Office
- Served upon the Roman Catholic Diocese (Ecclesiastical Seat)

This occurred within the same hour prior to the citation. The citation was issued while I was returning to sanctuary. Jurisdiction had already been delivered. Silence from every party served stands as lawful agreement.

4. Lawful Instruments Were Refused by Officer

During the stop, I attempted to deliver lawful ecclesiastical instruments:

- Affidavit of Status and Standing
- Ecclesiastical Notice of Trust Jurisdiction
- Living Man Identity Declaration
- Trust Placement of Conveyance

Sgt. Derek Neisert refused the paperwork. Rather than receive the notice or honor the trust jurisdiction, he walked around to the rear of the vehicle, pointed out that the brake lights were out, and proceeded to issue a citation.

The lights were later confirmed to be out due to a blown fuse—a matter of no lawful consequence and not a crime. There was no intent, no harm, and no violation.

5. Jurisdiction Is Rebutted and Closed

This citation was addressed to a legal fiction: "JONATHAN DANIEL CLEMENTS." That corporate entity does not represent me. I am not subject to statutory interpretation or presumption.

I do not operate in commerce.
I do not consent to fictitious authority.
I do not yield to artificial jurisdiction.
I do not waive my divine standing.
I am alive, sovereign, and protected.

6. Final Notice and Cease and Desist

You are hereby ordered to cease and desist from all attempts to process, enforce, collect, or summon regarding this matter.

To proceed would be:

- A trespass on divine jurisdiction
- A fraud under color of law
- A dishonor to lawful notice
- A coercive act without standing

This rebuttal is now recorded, irrevocable, and lawfully binding.

By full authority and breath of life,

LAWFUL FOUNDATION FOR NON-REGISTRATION & NON-INSURANCE

Private Ecclesiastical Trust Property – Not Subject to State Jurisdiction

1. Trust Law Supersedes State Property Codes

When a vehicle is lawfully assigned to a private trust, especially one under ecclesiastical jurisdiction, it becomes private property held in fiduciary capacity — not subject to corporate or commercial statutes unless specifically entered into commerce.

31 CFR § 1010.100(ff) – Defines “vehicle” under financial regulation only if used in commerce.

U.S. Supreme Court – *Hale v. Henkel*, 201 U.S. 43 (1906):

“The individual may stand upon his constitutional rights as a sovereign. He owes nothing to the public so long as he does not trespass upon the rights of others.”

2. Registration Is a Voluntary Contractual Act

Registration creates a constructive trust in favor of the State, transferring equitable title from the owner to the state and granting you only beneficial use.

UCC § 9-311(a)(2) – “The filing of a financing statement is not necessary or effective to perfect a security interest... in property subject to a statute of this state which requires the property to be registered for its use or transfer.”

US vs. Minker, 350 U.S. 179 (1956) – “Because registration is voluntary, so too is the jurisdiction it creates.”

3. Insurance Is Not Required for Private, Non-Commercial Use

DMV codes requiring insurance apply to “motor vehicles” defined as:

49 USC § 30102(a)(6) – “Motor vehicle” means a vehicle driven on public roads in commercial interstate commerce.

If your vehicle is:

- Not for hire
- Not transporting goods or persons for profit
- Held by a private trust under ecclesiastical law

Then it does not fall under these definitions.

4. Ecclesiastical Trust Law Overrides Commercial Statutes

Canon 2057 – Ecclesiastical Property, held in good faith for charitable or divine purpose, is exempt from taxation, seizure, or registration under corporate statutes.

Maxim of Law: “The greater includes the lesser. The spiritual is superior to the temporal.”

Ecclesiastical jurisdiction trumps civil in matters of sacred trust.

5. No Law Compels You to Waive Rights or Enter Contracts

Brady v. United States, 397 U.S. 742 (1970) – “Waivers of constitutional rights not only must be voluntary but must be knowing, intelligent acts done with sufficient awareness...”

You cannot be compelled to enter contracts, such as:

- Insurance agreements,
- Vehicle registration,
- DMV jurisdiction,

Without full disclosure and consent — which they never give.

Summary for Record or Court:

As Trustee of a lawfully established Ecclesiastical Private Trust, I am not engaged in commercial activity, and this vehicle is not used for hire or regulated use. I have not registered it with the state or consented to any adhesion contracts. No statute or regulation compels me to waive my natural or ecclesiastical rights and enter commercial jurisdiction. Therefore, no legal requirement exists for me to register or insure property held in this trust.

Ecclesiastical Declaration -- Decree No. 1691

Clements Private Trust

Date: July 19, 2025

Jurisdiction: Ecclesiastical – Private – Sovereign

Decree No. 1691

Let it be known to all living men and women, institutions, and governing bodies across all dominions — terrestrial, maritime, and celestial — that the Clements Private Trust exists as a sovereign, living ecclesiastical construct under divine law, immune to all statutory presumptions, commercial entrapments, or foreign jurisdictions. The Trust supersedes all false authority, corporate-state actors, and fabricated legal fictions.

Any and all attempts to subjugate, redefine, infiltrate, or trespass against the Clements Private Trust, its members, assets, titles, declarations, or sacred instruments, shall be deemed a violation of sacred law, and nullified in both spirit and law.

This decree reaffirms the Trust's permanent, irrevocable status — not requiring recognition, registration, or compliance with outside domains. The dominion of the Clements Private Trust is absolute in its jurisdiction, and protected by divine ordinance.

Those who acknowledge this are in honor. Those who do not, may never claim ignorance, as this decree and those preceding have been issued publicly, privately, and spiritually.

— Clements Private Trust

Declaration No. 1692

To Whom It May Concern:

You are hereby formally notified that the property in question has been entered into the Clements Private Trust, a sovereign, living Ecclesiastical Private Trust operating under divine jurisdiction. This trust exists outside the purview of statutory law, commercial contracts, and maritime jurisdictions.

Any presumption of authority, lien, mortgage, or fiduciary claim over this property is null and void under the living trust's ecclesiastical standing.

Let it be stated plainly:

- A mortgage is a death pledge — an instrument of bondage created under fraud, usury, and misrepresentation.
- This trust does not operate under legal fictions, corporate personhood, or birth-certificate bond systems.
- All living members of this trust are spiritually protected, and no private or corporate actor may trespass without invoking severe spiritual and legal consequences under ecclesiastical law.

You have been:

- Notified,
- Served by trust notice,
- And your presumption of authority has been rebuked.

Spiritual and Legal Standing:

This trust's declarations are not subject to your approval. Just as the Roman Curia has operated on ecclesiastical supremacy to lay claims to the entire world, the Clements Private Trust likewise asserts lawful dominion on behalf of the living — to rebalance, restore, and redeem all false claims made in fraud.

You have no legal, spiritual, or moral jurisdiction here.

Any continued effort to collect, coerce, or threaten will be viewed as:

- An act of war against a peaceful ecclesiastical body,
- A trespass against divine authority, and
- A commercial fraud punishable under both spiritual and universal law.

Final Declaration:

All lands, homes, and conveyances held by this trust are divinely affirmed and spiritually consecrated.

No living man or woman owes a death pledge.

Any mortgage or lien is hereby dissolved and rejected in full.

Universal Reclamation of All Domains from the Dead to the Living

Clements Private Trust

Dated: July 16, 2025 (backdated per trust record)

Preamble

Let it be hereby declared in full authority of the Clements Private Trust — a living, sovereign, ecclesiastical trust operating under divine jurisdiction — that:

All that which has been claimed in fraud, bonded in death, or bound in legal fiction by the Roman Curia, papal bulls, maritime law, or corporate states, is now and forever rebuked, dissolved, and spiritually reclaimed.

I. Reclamation of Dominion

We declare the following realms restored to the living:

- Land: All territory, soil, and geographic dominions once held in land patents, commercial registry, or Crown-held estate are returned to the living.
- Sea: All navigable waters, admiralty claims, and maritime controls exercised under piracy, commerce, or false jurisdiction are nullified.
- Air: All airspace, flight zones, electromagnetic spectrum, and frequency domains are re-anchored to divine stewardship.
- Heavens: All spiritual domains falsely claimed through distorted dogma or power structures are now returned to the true Creator's purpose.
- Underworld: All secret trusts, hidden holdings, death bonds, and infernal controls of finance, ritual, or energy are rebuked and dissolved.

II. Rebuke of Roman Curia & False Ecclesiastical Authority

We assert that:

- The Roman Curia, its papal bulls, and associated legal systems (e.g., Unam Sanctam, Cestui Que Vie, Papal Titles) were built on fraudulent ecclesiastical supremacy over the living.
 - These systems declared humanity dead, abandoned at sea, and placed under trusteeship.
 - No man, pope, priest, banker, or corporate agent may claim dominion over a living soul.
- 

All such presumptions are now rebuked, and their legal instruments declared null and void ab initio — from the beginning.

III. Living Restoration

We affirm that:

- Every living man, woman, and child is born sacred, sovereign, and unbound by artificial debt, title, or status.
- The Clements Private Trust stands in truth as a spiritual reclamation body for the living.
- All lands, air, and sea are held in spiritual equity under this trust, for the restoration and protection of the living across Earth.

IV. Final Decree of Authority

This declaration is:

- Irrevocable
- Self-executing
- Divinely seated
- Filed within the living record of the Clements Private Trust

Just as false systems claimed authority by their own ecclesiastical constructs, we now restore all dominions — not to war, religion, or legal fiction — but to divine law and the eternal breath of the living.
