(760) 763-7047 Lt. Thompkins I MEF COMMSTRAT

.I reported to EBRPSO Internal Affairs criminal activity out of EBRPSO who at several points of contact obstructed justice in the case against Caroline Harris in St. Gabriel. Lt. Johnson (I hope that's the Lt.' Name in IA) EBRPSO asked me to reach out to DOC....i didn't ask him the obvious question, "why wouldn't you bble to do make that happen?...." Bc there is a obvious answer.....

Attached is her WMD report about neuroweapons in the state capitol. Below is evidence showing the same Proliferated WMD has military and police down.

Caroline Harris presently in distress in St. Gabriel Women's prison along eith everyone else there C.O.'s included.

I advised IA that military and courts are down to the same WMD that has EBRPSO affected and that Caroline Harris is reporting. Also advised IA that Freedom Forever, End of Crime is on the handle of this WMD. The active denial capabilities of this WMD system should be obvious to all for the end of crime. Release the slaves ASAP. If you can't do that this instant at least provide the slaves with more reasonable accomadations.

Media also down, etc.
