PART C: EXPLANATION OF YOUR COMPLAINT

I retained Attorney Amy Johnson to represent me in estate and inheritance matters. During her representation:

- She permitted the sale of ten (10) acres of property at less than the fair market value of a single acre.
- She had prior personal and professional engagements with my brother, Mark Havens, creating a conflict of interest.
- She allowed my brother to sign legal paperwork on my behalf, even though I was the rightful party who should have signed.
- She delayed finalizing the estate inheritance for an excessive period of time.
- As a direct result of her misconduct, I suffered severe financial loss, lost access to my inheritance, and was rendered homeless.

These actions represent incompetence, breach of fiduciary duty, failure to communicate, lack of diligence, conflict of interest, and other ethical violations under the Louisiana Rules of Professional Conduct.
