This is the 19th day of July 2025

Brief Description

On the 12th of June 2023 a hand delivered eviction notice was put through Sarah Denise Jones door.

The eviction notice was for the 13th of June 2025.

Sarah got an emergency hearing for the 13th of June 2025.

Judge Watkin went ahead with the eviction, totally disregarding the information given to him by Sarahs Mackenzie's friend that Phil Mcloughlin and his 3-year-old daughter Mila lived at the property with his mum Sarah Denise Jones.

Judge Watkin made the disgraceful suggestion that the child, Mila should be placed in care.

When Sarah and her Mackenzie friend arrived back at 17 Irvings Crescent the Police and Bailiffs were present. The sergeant spoke to Judge Watkin on the phone and Judge Watkins told him over a loudspeaker to execute the warrant.

The first Policeman went over the gate, assisting the bailiffs. The Police officer/Agent of the state assaulted Ste Murry. The other Police and Bailiffs climbed over the gate. One Bailiff, who was too fat to climb the gate, used a circular saw to cut through it, he then used the same on the front door.

The Locksmith was cutting through the front door whilst two vulnerable people, Sarah and Mila were in the property along with Phil.

Sarah took Mila upstairs and barricaded the bedroom door.

Phil broke the circular saw by hitting it with a hammer. The Locksmith then resorted to using a crowbar, he then kicked the door. The Police offered assisted the Bailiffs by giving them their ramming bar. The Police and Bailiffs were told they could not do that.

The Bailiff then walked to the window and asked the Police if he could smash it.

Phil replied, "If the bailiff smashes the window, the hammer will be put through the bailiffs head" In an offer to contract, the Police and Bailiffs were told again they could not do that.

The Police and Bailiffs had a discussion, and the Police who had assisted the Bailiffs by allowing them to use Police tools, left.

One officer was pictured holding the locksmith's drill.

The eviction was unsuccessful but there was a lot of damage to the property.

Private Trespass notices were displayed at the gate, door and window.

"To this day my daughter remembers the naughty police, as she calls them, braking nanny's and daddy's door. Every time she sees the police now, she states that the police hurt my Daddy. This is something NO little child should be saying. This is the reason my claim is double the amount due to the terrorism against my daughter."

This is Terrorism. Under the terrorism guidelines this constitutes a 14-year custodial sentence (*unless exceptional circumstances apply*).

The indictment is for a minimum of 14 years in prison and a request to seize all assets.

Definitions:1. UBc Uniform Bonding code. #2. UCc, Uniform Commercial code, Aboriginal law copy right patent # GLDB019073. 03/19/2025, location Great Seal Perseverando!

IT IS ORDER this day 28th August 2025

Resignation of those LIABLE and ACTING in a commercial setting, this is a Mandamus and a winding up order will be issued to the Registered Agents. CIVIL agents are not Law enforcers; Police are to intervene in the case of breach of the peace as peace officers. No knowledge of the Law to protect and serve is a crime. Acting in Uniform does not mean you are identified. It is deemed as a 'thespian' in uniform, acting as. Failure to produce identification on site or warrant card is an offense deemed as Moonlighting. Participating in CIVIL matters is not a police officers' duty, it is terrorism and abuse of powers, participating in Fraud and accepting unsigned documentation as fact. CIVIL courts are not superior, and correct choices should have been made, it is a BAILIFF task, they took on by choice, not Police who fail under oath to perform on site as their Duty describes, not as a BAILIFF.

We are taking this matter extremely seriously as unfortunately this is not an isolated case. The World Martial Authority is investigating and processing reports of violations globally. The reports we are

increasingly receiving especially those from the UK, involve corrupt Judges, Police, Councils, Courts etc. with many violations involving children and vulnerable people.

Judge Watkin, although there are many offenders on this list you are 'key instigator' as you are the one on the 13th of June 2025 who had the 'authority' and could have prevented a little girl being scarred and terrorised. Instead, you ordered thugs under the guise of 'law enforcement' being fully informed that this is her home, to continue to attempt to remove her and her family by force.

Your only suggestion being that she gets taken into care??!!

You are an utter disgrace and have completely failed in your duty as a judge. There will be no leniency for you, nor for any others in positions of so called 'authority' who are completely devoid of empathy and wreck people's lives out of irresponsibility and misconduct in public office.

This raises the question: Where does your authority come from?

You are under oath not to harm and to protect. In this case what are you protecting other than DEBT that you are guilty of circulating and demanding yourself, as are all services involved.

You too are a DEBTOR and trade DEBT BONDS. It is by Mandamus that all Judgements/Verdicts are Audited and all trades of Bonds to cease with immediate effect especially those you have administered unlawfully and are completely LIABLE. YOU AND MANY JUDGES AROUND THE WORLD ARE COMPLICIT IN CHILD TRAFFICKING. THIS COURT OF RECORD DEEMS YOU ANTI HUMANITARIAN and TORT feosor with your ACTS of approving TERRORISM, WE hold the only Anti TORT trust

Placing fear in a child is not one of your duties, you need to be dismissed immediately along with all those listed who have been party to this violation.

Any court that provides this should be immediately shut down and are found in BREACH of trust and complicit in terrorism to even allow this behavior especially in front of an innocent child, behaving like thugs.

Those who are supervisory should be dismissed with immediate effect, this is an act of war on the people allowing this disgraceful behavior to even be considered for a CIVIL DEBT matter, using a uniform that is now bringing the services into disrepute and breaching everyone's trust.

The bank SHOULD BE IMMEDIATELY CLOSED until these matters are rectified and all corrupt elements and Cartels are removed. An official oversight is required to halt any injustices.

This is unfortunately a familiar story, as most banks show a high level of corruption and theft, blocking funds, FAILURE OF PERFORMANCE, FAILURE OF OBLIGATIONS, WP9-71 UCc3-603 to settle, and funds that are meant for Humanitarian causes are blocked and traded elsewhere without the owner's consent. Breaching Peoples TRUST and making up their own Rules is unacceptable they breached their own contracts by not signing them themselves as conditions of the bank, without 2 party signature no contract is valid, a common law cheat, a BANK attempting to obtain someone's property without proving where the money they claimed to use to pay for it as a loan came from, LAUNDERING.
