

- Wearing shorts to bed then replacing them with new ones the next day and so on, is my thing to do.
- Love is Togetherness
- Love one another
- Do to others, as you would want others to do to you.
- Love each other.
- Always be polite and kind to everyone (even those that it is difficult to be kind to/you find hard to get along with)

- Love is everything, without Love, we are nothing.
- God is everywhere and nowhere, all at the same time, if we live our lives in love, we become one with the spirit and the world around us.
- Be kind to those around you and they will be kind back, if you are kind to those around you but they are not, then don't worry, for you will be rewarded by

God.
