- Review all summaries for 91-1.
- Prepare a "synopsis", if you can, using cell inputs.
  - views
  - controls
- Provide your estimate, based on above, of what you think the target is.

Do By 11 30 AM TODAY.

\* ① Of the viewers, two (079/052) identified the target as male and three (025/018/049) identified the target as female, although 018 indicated there was an inadvertent disclosure of the target's sex. Of the controls, neither one indicated the sex.

② All of the viewers indicated that the target was an authority figure.

③ Viewer 052 and Control C-2 indicated that violence or energy of some sort was associated with the target.

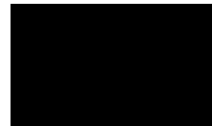

④ Two viewers (079/049) indicated that the Target Person lived in an age and place different from the present.

⑤ Two viewers (018/049) indicated that Target Person was "aged."

⑥ Four viewers (018/049/079/052) indicated that Target Person was more of an historical figure. One viewer (025) indicated that Target Person was probably a current TV/movie/newspaper personality.

My guess is that the Target Personality is a middle-aged to early elderly female authority figure like the Queen of England or possibly Joan of Arc.
