

Office Memorandum • UNITED STATES GOVERNMENT

TO : File

DATE: 27 July 1953

A FROM :

SUBJECT: Sidetone Delay - Attached

B & C A
1. On the morning of Friday, 24 July 1953, _____ and the writer visited the offices of _____ and took delivery on the Sidetone Delay device and related parts in accordance with pre-arranged agreement.

2. For matter of record, there were no papers, specifications or photographs connected with the Sidetone Delay device and an examination of all the crating boxes, etc. failed to disclose any such papers.

B & C
3. The only paper obtained from _____ was a copy of an _____ shipment order _____ file _____ which merely described the item as: '1 - Side-Tone Delay'. The writer signed one copy of this document for the _____ files and kept a copy which is attached. The writer and his associates then moved the Sidetone Delay device immediately to the Technical Branch laboratory.
