P.I. SLEEPY

Accessed a male person, who was very serious & determined by nature. Had a hard time accessing him "deeply", which I felt was probably my fault (see P.I.), but the few times I did, I realized that down deep, he is little different than "on the surface". His "down deep" seemed very close to the surface, and below that. It felt as though there just wasn't anything more.

When asked to access his family background, he pictured both a "rich, "old-money" estate, and the man described in the 14 Apr session. I realized then that there was a very strong

SIMILARITY BETWEEN THE TWO MEN,
IN MANY WAYS - A STRONG DETERMINATION,
PRIDE, + PURPOSE, BUT ON AN UNDERLYING
"MILD" MANNER. THINKING BACK ON THE
FEELINGS HE HAD WHEN THINKING ABOUT THIS
OTHER MAN, THE OTHER SEEMED MORE LIKE
A "SIGNIFICANT OTHER", OR EVEN A LOVER THAN
A BROTHER.
