SUMMARY ANALYSIS

REMOTE VIEWING (RV) SESSION CCC-39

1. (S) This report documents a remote viewing session conducted in compliance with a request for information on a target of interest.
2. (S) This session represents this viewer's second attempt at this particular target area (see CCC-28). The viewer was unable to attain his usual state of relaxed concentration and the session was cancelled due to excessive disturbances from ambient room noise.
3. (S) The protocol used for this session is detailed in the document, Grill Flame Protocol, AMSAA Applied Remote Viewing Protocol, (S), undated.
4. (S) Following is a transcript of the viewer's impressions during the remote viewing session. At TAB A is target cuing information provided the viewer.

PAUSE

+04 #01: Just a minute. Think I'm getting an impression of... like I'm in a...inside of a jail...of a jail cell type room. It's not a jail cell; it's a room with iron bars on the windows and a grill type door. I feel ...is in the room there....more like..uh..small arms...ammunition...coming out of the room is a hallway and some stairs going up Keep..uh..keep wanting to make a...kind of a troop containment area. For some reason I can't do that. It's..uh..there's..uh.....

#28: Focus on the target for a moment without reporting to me. Concentrate.

#01: Jeses....it's hard. I can't. I'm trying to center on something at the target so I can get all this background. It started to go away, and it's..uh..I'm not even sure if I was at the target or not. Let's give it a few more minutes here.

#28: All right. We have lots of time.

PAUSE

#01: It's no good. I can't do it.

#28: Ok. Fine. We can try later.
