

Akron Lions Club *Newsflash!*

Check Ceremony On Tuesday—You're Invited!

After much debate your Board decided to give a check for \$1,700.00 to the Akron Care Center Building Fund, \$300.00 more than originally anticipated! And we still were able to donate \$200.00 to the FFA as a Thank-you for the loading help and , in addition, pay off the repairs on the Paper Barn! Thank you Paper Barn Captain Bob Frerichs and crew! Thank you Akron people who responded so marvelously stuffing our barn more full with papers than ever before!

You are all invited (wear your yellow Lion's vest!) on Tuesday, May 17th, when the official check presentation will take place at the Akron Care Center. Most of the Care Center Board members are Lions as well so you'll be in good company. We hope Julie Madden from the Akron Hometowneer will be there with her writing pad and her camera as well. The time: **5:00 pm** in the conference room. Be there!

Govenor Juanita Receives LCIF Grant For Tornado Catastrophe

Kudos to our intrepid and gallant District Governor **Juanita Ehret** and husband **PDG Wayne Ehret** for getting a \$10,000 LCIF Emergency Grant for our district in the wake of the recent tornado catastrophe in Mapleton, Varina, Early, Odebolt, and other Northwestern Iowa communities. Governor Juanita also obtained almost \$3,000 in donations from other Lions Clubs in Iowa.

The distribution of assistance vouchers and identification of needy has been difficult due to the lack of local Lions Clubs in most of these communities, but Juanita and her team are working hard.

Anthony and Dick Need Your Help On Father's Day June 19

GOLF

Anthony Behrens is working hard in preparation for our traditional **Lions Father's Day Golf Tournament**. The best thing you can do to support this tournament is to field a team. Grab some friends and make a foursome! If you are not a golfer, **Anthony and Dick Root** need a few helpers as well.
