SUMMARY OF INFORMATION

During the "Easter time-frame" the Embassy of Peru in Washington, D.C. will be highly vulnerable to a bomb attack by Peruvian dissidents in the area.

A box¹ containing the bomb will be placed outside the embassy building, along the perimeter wall(s), and next to a gate in some sort of alcove.

The placement of the bomb will take place during the evening hours.

"Handprints, footprints, and other imprints" associated with this projected incident, are retrievable.

A security officer assigned to the Embassy of Peru will be alerted to this bomb threat.
