Site involves large/tropical setting w/ large ~~grey~~ grey masonry structure which is open in middle, but is roofed over on other parts & has thick, solid walls & stairs. Sense of isolation; but what goes on here has impact in distant urban setting. People are here, mixed light & dark, conducting activities both passive & active. 2 groups of people - "controlling" & "performing" groups. Some activities at structure site involves intricate items which seem out of place or out of context.
