

19 February 1980

Mr. Manfred Gale  
HQDA, DAMA-ZD  
Room 3E411  
Washington, D.C. 20310

Dear Mr. Gale:

I am writing to request a copy of the report put out by your committee. Having cooperated with your committee, providing them with information on our research effort here at SRI International, we feel we could benefit from this independent assessment of the strengths and deficiencies of our program in particular and the field in general.

With best regards,

A handwritten signature in dark ink, appearing to read "H. E. Puthoff", with a stylized flourish at the end.

H. E. Puthoff, Ph.D.  
Radio Physics Laboratory

HEP:1a1
