I am enclosing herewith two sets of forms which you have requested. These forms were so near completion at the time of your last telephone call that I thought they might as well be completed.

I have just returned from Elkhart, Indiana, and I have had no further word concerning financial arrangements for the coming year. I will call my superior in Washington tomorrow to ascertain what the situation might be.

With kindest personal regards.

Very sincerely yours,

Harris Isbell, M. D.
