HONORABLE WILLIAM J. CLINTON  
55 West 125<sup>th</sup> Street  
New York, N.Y. 10027

Ulaanbaatar, June 14<sup>th</sup> 2010

Dear President Clinton,

I wish to express my thanks to you for the invitation to attend the CGI 2010 Annual Meeting. I am confident that 6<sup>th</sup> Annual meeting will be another success identifying most effective solutions to address pressing global challenges.

Since my correspondence to you last Fall, we have been finalizing preparations for Mongolia's national holiday, Naadam, which will take place this year on July 11<sup>th</sup> and 12<sup>th</sup>.

This year's celebration is particularly special because it also marks our 20th anniversary as a democratic nation. Mongolia is proud of its successful democratic transition with major gains in the political, economic, social and spiritual areas of our society.

Our people are grateful to our friends and allies, including the United States and you personally, for the persistent support you have extended to Mongolia.

Because of the tremendous impact you have made for freedom in Mongolia, I would like to extend to you the highest State Award of Mongolia during the Naadam holiday next month.

Mr. President, it would be my honor to host you personally in Mongolia next month for Naadam, receiving the State Award of Mongolia and seeing and experiencing Mongolia's ancient traditions first-hand.

Looking forward to welcoming you in Mongolia,

I remain sincerely yours,

TSAKHIYA ELBEGDORJ
