Sheriff Van Otterloo To Visit! ***Be Sure To Attend on Tuesday!***

Yes, Tuesday **March 1st** is a very good day to come to our club meeting at 6:30 p.m., bringing your spouse and a friend as well. We hope to have a good crowd that night! Well liked and respected in our community, Sheriff **Mike Van Otterloo** will be our featured speaker at this meeting and his talk will center upon the newly announced weapons rules in Plymouth County.

Make a note in your busy calendar for this important date! Bring a friend! We are honored to have our sheriff as our valued guest that night. Akron Jo is serving his finest Swiss Steak! Be there!

New Club Being Started

Yes, thanks to the determined efforts of District Governor **Juanita Ehret** and many others, too many to mention here, a new Lions Club is being organized in **Odebolt, IA**. Stay tuned for more

news about this first new club to be organized in our District in a long time.

Kudos to DG **Juanita** and her crew in taking on this project!

John Ziniel Is Well

We are told through the grapevine that our old friend **John Ziniel** is resting comfortably after his second bout of surgery, this time to deal with an abdominal situation.

Please keep **John** and **Partner-in-Service JoAnn** in your prayers!

John Ziniel was our District Governor in 2000-2001.
