

Akron Lions Club *Newsflash!*

Bring Your Spouse On Tuesday!

Yes, we again publish these two excellent pictures of heart transplant recipient **Gordon Johnson**, the Miracle Man. What a difference between the "before" and "after"!

Please bring your spouse and/or a friend on **Tuesday, May 3rd** at 6:30 pm at the Fire Station to hear Gordon's inspiring and moving story about his long and difficult journey. Gordon himself and spouse **Erlene** will be our guests of honor that night.

See you on Tuesday!

Akron Club News And Miscellaneous Gossip

Our tradition of cheering up the residents at the Akron Care center continues this spring and the day for our Omelet Breakfast has been set for **Saturday, May 21st 2011**. Please make a note to be there before 7 a.m. that day. **Bob Watson** and **Nick Schoenfelder** are our captains, they need your help!

Many thanks to Scholarship Committee members **Chad Ericson**, **Karen Schroeder** and **Dan Rexwinkel** for their hard work. Our two scholarship recipients this year will be a young lady, **Bryghtyn Franker** and a young man with the name **Joel Schroeder**. **Congratulations!** Our club will be represented at the A-W Awards Night on May 10 by Chad himself.

Our club received a check from the City of Akron for recycling newspaper in the amount of \$323.01. Next Board meeting will decide exactly how much we can donate to the Akron Care Center Building Fund after some expenses (FFA loading help, repairs to the barn) have been taken care of.

Sadly we will soon have to say farewell to our members **Tony** and **Michelle Ryan**, who will be relocating to a bigger school district closer to their family. We wish them the very best!
